

BESTPRAC Training School:

Third parties in H2020

Per Inge Andresen

**NTNU - Norwegian University of
Science and Technology**

Third parties summarised

- Example: Need to perform tests with one piece of scientific equipment
- Potential solutions:

1. Buy the equipment

Article 10

- **Other goods and services (Depreciation)** of equipment),
- PLUS:
- **Personnel costs** for your staff

2. Use a third party's equipment do the job yourself

Article 11

Article 12

- **In-kind contribution** by third party not used on the premises of the beneficiary,
 - **Against payment**, OR:
 - **Free of charge** If provided exclusively for the Action: **Receipts** Article 5.3.3
- PLUS:
- **Personnel costs** for your staff

3. Pay an independent third party (who has the equipment) to do the test for you

Article 13

Article 10

1. Action task? => **Subcontracting**
2. Not an action task? => **Other goods and services**

4. Pay a linked third party (who has the equipment) to do the test for you

Article 14

- The linked third party declares its own costs (in its own Form C) as:
 - **Other goods and services (Depreciation)** of equipment),
 - PLUS:
 - **Personnel costs** for **linked third party's** staff
